FOREWORD

THERE IS SOMETHING CONTAGIOUS ABOUT SPIRIT. IT NEVER QUITE LEAVES YOU; IT CAN BE CONTRACTED UNDER THE SPELL OF A GOOD ROUSING FOOTBALL YELL OR A FEW BARS OF THE "OLE" FIGHT SONG. SPIRIT IS LAUGHTER'S ECHOES THAT NEVER DIE . . . WHERE WHISPERS PAINT THE HALLS WITH SECRETS, EACH KEPT DEARLY AND FOREVER.

SPIRIT IS A PLACE WHERE MINUTES WHIRLPOOL AS YOU CRAM FOR NEXT PERIOD'S TEST; YET AS YOU SIT, SEACHING AND STRUGGLING FOR THE ANSWERS, SECONDS TRICKLE BY AS IF THEY WILL NEVER PASS.

SPIRIT IS THE RINGING ALARM CLOCK ON COLD WEEKDAY MORNINGS, THE BELL CHASING YOU BREATHLESSLY UP THE STEPS TO YOUR FIRST PERIOD CLASS.

SPIRIT IS A COMPOSITION THAT BLEEDS WITH YOUR TEACHER'S CRIMSON-PENNED CORRECTIONS; THE BROWN PAPER BAG-BOOK COVER MADE MORE VALUABLE THAN GOLD BY THE HALF-DOZEN DOODLES AND MYRIAD MESSAGES SCRIBBLED ON IT BY FRIENDS.

SPIRIT IS ALL THIS AND ALL THE IMPORTANT, SIGNIFICANT MOMENTS WHICH PASS UNNOTICED.

SPIRIT IS ETERNITY WHICH MELTS INTO TOMORROW . . . LEFT ARE MEMORIES, BROUGHT BACK THROUGH THE PAGES OF THIS BOOK . . .

There are many tasks to which the counselors must attend. Their files hold the individual performance tests, health records, and other pertinent information concerning each student. Every possible means is utilized by the counselors to better guide the students. They offer vocational counseling to help the student plan for his future after his graduation from high school. For the college bound student, the counselors help choose a school that would best satisfy each individual's needs. The school's extra-curricular activities are often attended to by the counselors. The counselors attempt to guide each student to a field best suited to his interests and abilities.

You are completing your high school education in the most dynamic era the world has ever known. While you have been in Montebello Senior High School, orbiting the earth has become an established reality; the ability to land a sattelite on the moon in a predetermined target and sending pictures of the moon's surface back to earth has been accomplished twice. Specacular as these scientific accomplishments are, the emergence of new nations and the concern for a better way of life for all people have been even more impressive. The Board of Education, the administration, your teachers and your desire have provided you with the basic education to cope with this exciting age.

Whether you continue in college or take your place in society now, we wish you the utmost success in your most important and exciting career as a good citizen.

THE SPIRIT OF '65

The spirit of 1965 is the spirit of progress. Everywhere you look in America you find change heralding a slow-moving but irrepressible progress. Government, industry, commerce, even our social institutions are changing as they adapt for more useful service to our society.

Change swirls about us at all times. Close at hand are the freeway fingers joining together the major population centers. Even more dramatic is the scientific progress which has changed Southern California from a land of the Argonauts to a land of Astronauts and Aquanauts.

Change will be a mighty influence on your life. Be prepared to live with it, to accept it as inevitable, but try through adjustment to build your dreams into permanent realities. Reconcile your goals with your abilities, but don't sell yourself short. Darwin, following a lifetime of critical observation, said that men differ less in capacity than in zeal and determination to utilize the powers they have.

You are a part of progress. As every new day unwraps itself, build into it the stepping stones that assure a greater achievement for tomorrow.

The Montebello Senior High Parent-Teacher Association is grateful for the opportunity to be of direct service to the student body and the faculty in a variety of ways. The paperback book sales, a scholarship fund, the teacher appreciation coffee hours, and the presentation of books for the faculty library are some of the projects for the current year.

The P.T.A. also continues to strengthen its main purpose, that of developing responsible citizens, by encouraging parental participation in study groups and in association meetings. It was a very good year—a year filled with pleasurable happenings and unforgettable experiences. By partaking in the various activities offered here at Montebello, we have helped to prepare ourselves to meet the problems of the future. Our scholastic endeavors comprised the main portion of our school time. Many of us, however, went further and took part in school activities. Some may have developed good physical health and gained valuable team work experience by participating in the athletic programs. Many of us made social adjustments through our experiences with the many varying types of campus clubs. Maybe we helped prepare ourselves for our future roll as American citizens by partaking in student politics. All of these activities have helped to build well rounded individuals.

As I look back upon my last year here at Montebello, I feel that serving you, the Student Body, has been both a pleasure and also a rewarding experience. I will never forget this year as long as I live. I would sincerely like to thank each and every one of you for giving me the opportunity to serve you in '65—it was a very good year.

THE NOW ABANDONED GRIDIRON ONCE PLAYED A VITAL PART IN THE SPIRIT OF '65 . . . THE SCENE OF FIGHTING FOOTBALL HEROES WHO VIED FOR VICTORY TO ENHANCE THE PRIDE AND PRESTIGE OF THEIR ALMA MATER, SPIRITED SPECTATORS WHO ROSE TO THEIR FEET TO SHOUT A MIGHTY "FIGHT," BRIGHTLY COLORED POM-POMS THAT WAVED IN FRONT OF THE GRANDSTANDS, HANDS THAT CLAPPED IN TIME TO BEAT OF THE BIG BASS DRUM. SUCH SIGHTS AND SOUNDS FADE WITH THE CLOSING OF THE YEAR, AND ON THIS SAME FIELD THE MORE SERIOUS AND SOMBE TONES OF A GRADUATION CEREMONY REPLACE THE WILD CHEERS. THE SPIRIT OF '65 HAS SERVED ITS PURPOSE AS A STURDY FOUNDATION FOR THAT UPWARD SPIRAL OF PROGRESS THAT WE, THE STUDENTS, SHALL FOREVER ENDEAVOR TO PURSUE. WHETHER AS PARENT, CITIZEN, NEIGHBOR, OR WORKER, A RENEWED SPIRIT EACH YEAR WILL ENCOMPASS ALL OF THE FACETS OF YOUR RELATIONSHIPS, GIVING YOU THE POWER TO FULFILL ALL OF YOUR FUTURE DESIRES.

Mother-Daughter Tea and Fashion Show

Honoring all Senior girls and their mothers, the annual Mother-Daughter Tea and Fashion Show, which was held in May, featured Marilyn Ewing as mistress of ceremonies. Senior girls and their mothers, dressed in their finery, were entertained with a fashion show in which girls representing various sewing classes modeled the clothes which they had made. Refreshments were prepared by girls in the foods classes.

Milla Katkov models her "After Five" dress.

Displaying her talent as a seamstress, Sylvia Sloat shows her formal, full-length coat.

Faith Pavloff models her spring dress and contrasting jacket.

Donna Kidd dresses for that special date.

Aha! So you discovered the candid camera!

Sophomores Around Campus

Oilers swing to the rockin' beat of an after game dance.

As the hoopsters tie the score in the final minutes, sophomore girls anxiously await the outcome of the game.

Everyone, even Sophomores read the Derrick Diary.

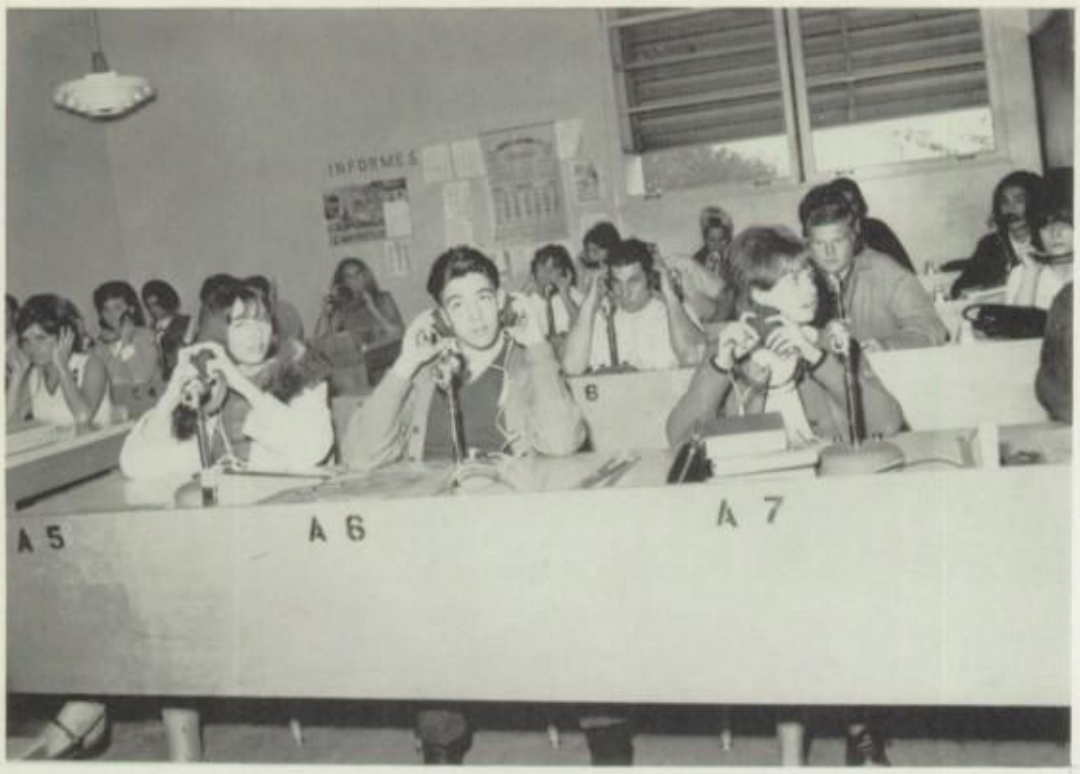
Around Campu



"Car 54, donde esta?"

At nutrition, students scurry to the cafeteria or campus inn to fill their tummies with lots of goodies.

Let's play some soft, sweet music like "Jolly Green Giant."

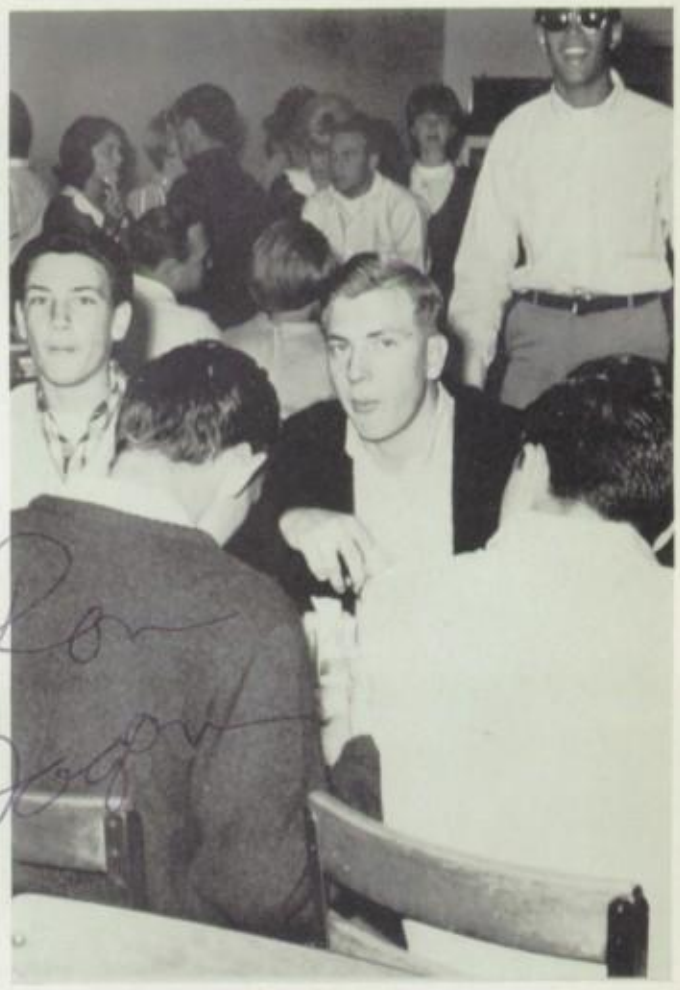
Seniors Yeah! Yeah! Yeah!

Around Campus

It isn't everyone who gets to stay out of class after the bell has rung.

Goshl Is that really what my blood looks like?

Studious Oilers feel more secure with their books — even at lunch time.



Oilers are hearty eaters. Chomp! Slop! Gurgle! Slurp!

After school, students eagerly hurry home to do their homework.

SPIRIT OF FRIENDSHIP . . . YOUR SPIRIT HAS GIVEN YOU THE POWER AND DELICACY TO LOVE OTHERS. THIS IS THE SAME POWER THAT BINDS LASTING FRIENDSHIPS. IT DEMANDS A FELLOWSHIP SATURATED WITH TRUST, FAITH, INTEGRITY, AND TRUTH. IT CALLS FOR A COMRADE WILLING TO GIVE, LEND, AND HELP — A FRIEND QUICK TO PRAISE WORTHINESS, TO FORGIVE FAULTS, ALL IN THE NAME OF FRIENDSHIP. THE FRIENDSHIPS THAT YOU HAVE NOURISHED WITH THE SPIRIT OF '65 SHALL RIPEN AND SURVIVE THE TEST OF TIME.

SPIRIT OF FRIENDSHIP

IF, PERCHANCE, THESE COMRADELY RELATIONS PARISH OR FADE, NEW COMPANIONSHIPS EAGERLY APPEAR, BECOMING AS THE OLD MELLOW IN SINCERITY AND LOYALTY. THE SPIRIT OF FRIENDSHIP SHALL ENDURE A LIFETIME TO ENRICH AND TO ENLIGHTEN EVERY ASPECT OF YOUR EXISTENCE.

KARIN MONTROSE

Future Nurses

A new club on campus, Future Nurses, was organized for those persons interested in nursing or any related medical field. This club has three main goals:

1. to help the students to choose courses in high school that will help prepare them for further training in their chosen field;
2. to inform students of the different areas of the medical field open to them; and
3. to help students obtain information and knowledge in the various fields.

"Oh yes! I'm the great pretender."

Honor Roll

The Honor Roll is a scholarship organization of which membership is automatic each semester. It is a fairly large group and is designed to recognize high scholarship and good citizenship. Students who have been members for one continuous year graduate with honors, and those who have been members for three years graduate with highest honors.

CALIFORNIA STATE SCHOLARSHIP

Thirteen M.H.S. seniors with exceptional ability and achievements qualified for the California State Scholarship for 1965. They were selected on the basis of their scores on the annual Scholastic Aptitude Tests, these semi-finalists each scored 1200 or more out of a possible 1600 correct answers. A grade transcript to ascertain if the student's academic achievements are sufficient to warrant further consideration as candidates for this honor was also considered by the California State Scholarship Commission.

A yearbook is a record of the year's events. It is a true story of people, events, successes, failures, and thoughts, and it is our opportunity to represent school life as it really happened — the biology tests, the chemistry experiments, the rallies, and the research for term themes in the library. It is the school spirit that tells the true story, as those who lived it will remember it—telling it honestly for parents and others in the community that they may better understand what makes a high school student run.

The 14th annual Hi-Jinx performance was presented this year without a theme, thereby allowing for a wide variety of acts—Pink Panthers to Prehistoric Pretties. Each of the 18 groups was introduced by one of nine exuberant and cleverly costumed sophomore girls.

Taking first place honors was "Happy-Go-Lucky-Us." "Little Egypt," the pink elephant belly dancers, shimmied into second place.

Excitement and anticipation fill the air as the magic hour of the Christmas Dance approaches. Transforming the gym into a fantasy of "Silver Bells and Blue Nights" began earlier in the day. The Girls' League Christmas Dance is the highlight of the Christmas season. Dawned in lovely attire and looking like Princes and Princesses, the enchanted couples danced to the melody of Tom Holmes' Orchestra. These tender moments will remain in the hearts of all those who danced under the spell cast upon them by that unforgettable evening.

Season Summary

It was rough going in the Pacific League this season with only three teams to top Montebello (Alhambra, Whittier, and Monrovia); all vying for first place. Alhambra charged into CIF semi-finals, while Whittier beat Montebello only in the last 32 seconds of the game. Whittier then pushed its way to the top in CIF competition.

The Oilers had a fair season, winning 3 and losing 3. In pre-season activity they beat California 13-7, gave El Rancho a "run for the money" before losing 20-7, and then bounced back to swamp Burbank 20-13.

This year Montebello had three All-League players: Chuck Caropino (guard), Dave Mushegan (guard), and Ethan Rowe (fullback). Ethan also captured Montebello's Most Valuable Player Award.

The Varsity grid squad did not lack in talent, but throughout the season its luck seemed to come in spurts, at times playing exceptional ball and at other times showing less than average ability.

Montebello's defensive backs proved themselves quite capable this season by hauling in more interceptions than seen in previous years.

Although Oiler gridders were unsuccessful in receiving Pacific League top honors, Montebello's prospective outlook is for a winning season next year. Montebello can expect a great team with the ability, spirit, and enthusiasm of returning lettermen and up-coming players.

Most Valuable Player

The Most Valuable Player of the 1964 season was fullback Ethan Rowe—a 5'11", 180 pound senior, who continuously brought the spectators to their feet with his drives past the line of scrimmage. Ethan, in fact, was so difficult to bring down that he was selected to the Pacific League All-League team for his record in ground yard gainage. Ethan has been on the varsity football team for the three years that he has attended Montebello, which made him one of only six returning lettermen.

Besides being one of the best fullbacks Montebello has had, he also maintains a high scholastic average and is a tribute to Montebello Senior High School both as a sportsman and as a student.

WARREN WINCHESTER
Coach

When the year has ended and the sports season has come to its termination; each time you hear a school yell or a drum beat, you will remember those desperate last minute struggles to gain the victory point, the disappointing losses and the thrilling wins, the grandstand relentlessly cheering the team onward regardless of the outcome. You will always remember these athletic events whether spectator or athlete. Sportsmanship, fair-play and team work, honestly and cooperation. Combined with skill and ability, it is these qualities which build the winning competitor, the successful person.

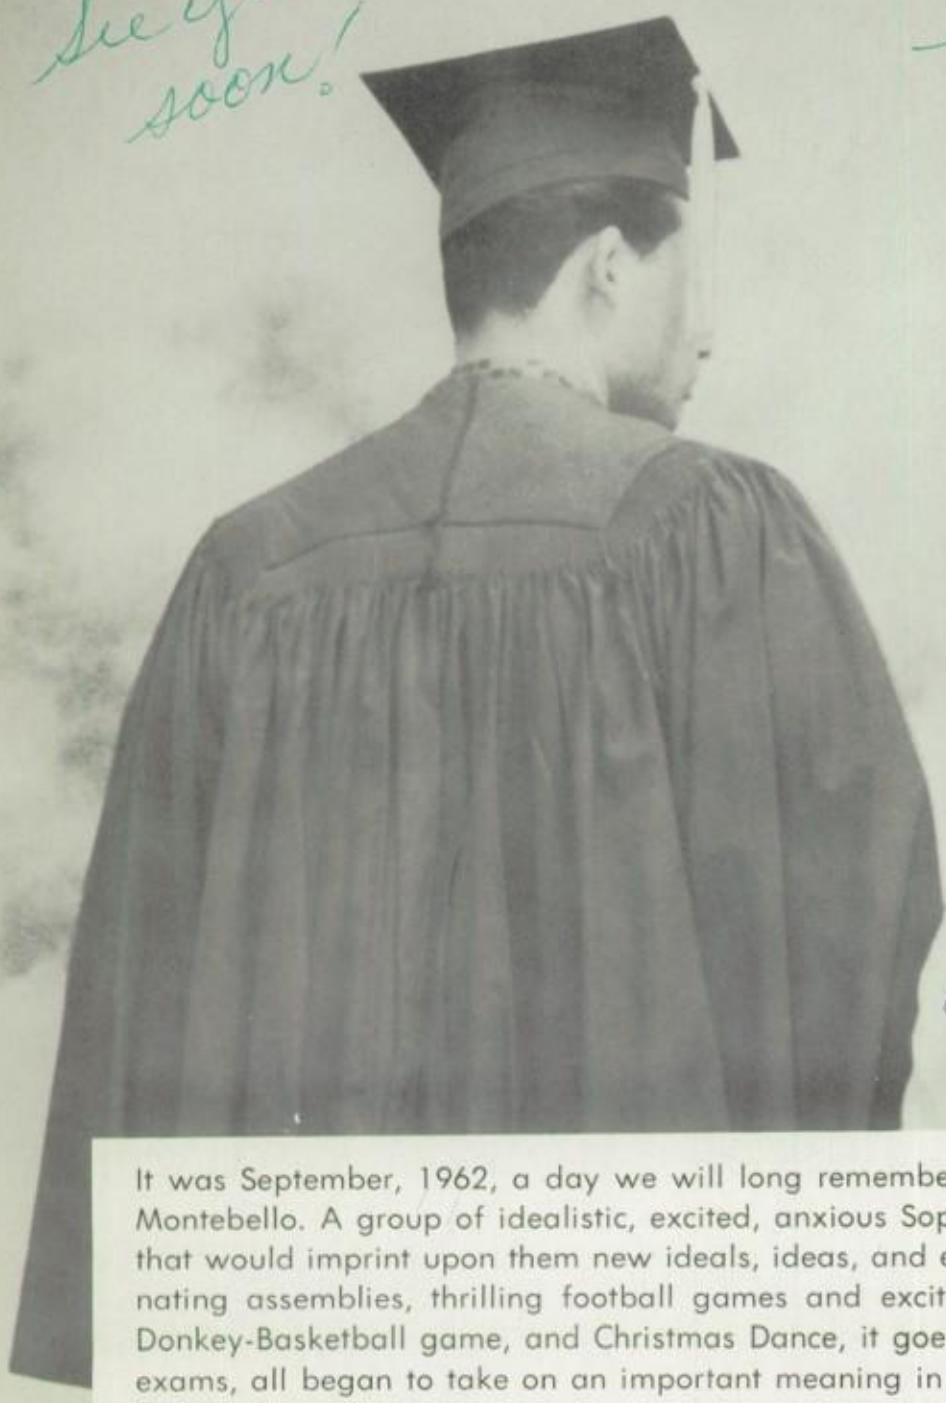
It's been a great year and knowing you has made it that way. You're one of the cutest and sweetest girls I know — don't ever change. I hope we can have a ~~class~~ few "dates" together this summer. Good luck in all you do!

Sharon Hennessee

P.S. See you soon!



Bill, it's been a pleasure to have you in class this year. Now that school is over with, I hope you get all the sleep you need. Lots of luck to a wonderful guy. Love, Carol F.

It was September, 1962, a day we will long remember, for this was the beginning of three memorial years at Montebello. A group of idealistic, excited, anxious Sophomores entered into a new school and a new way of life that would imprint upon them new ideals, ideas, and experiences that can never be taken from them. The fascinating assemblies, thrilling football games and exciting basketball games, the after-game dances, traditional Donkey-Basketball game, and Christmas Dance, it goes without saying the classroom activities, homework and exams, all began to take on an important meaning in our lives. And with this our Soph. year came to a close. The class of '65 then stepped up the ladder to the Junior Class. Now the responsibilities increased and with that continued the traditional activities plus the Prom and Hush Day. The Senior year came all too fast and the Seniors had to make the most of their last year. The leadership of the school was placed in the hands of the Seniors in order to maintain the High School standards. The Seniors now had their last glimpse of the assemblies, games, and the halls and rooms which they would never lay their eyes on again. Now it is June, 1965, and the graduating class is about to experience a moment that will never be forgotten. The things we will never be able to see or feel again is the real spirit of our days at Montebello. The significant speeches they listen to begin to take on a deeper meaning. Then before they know it, their names are called and diplomas placed in their hands by Mr. Ody and Mrs. Wood. It's all over now . . . the seniors are seniors no more, they are graduates holding a piece of paper, the profits of three years at Montebello — years of joy and sorrow — of work and play; years that can be lived but once in a lifetime.
